

3rd March 2017

Dear Resident/Business Holder

The biennial Manchester International Festival, the world's first international Festival of original, new work and special events will be taking place again this year. Running from Thursday 29th June until Sunday 16th July 2017 it will take place in several different venues across Manchester and Salford.

As part of the 2017 festival Upper Campfield Market Hall will be utilised to present the world premiere of a new musical drama that has been commissioned by Manchester International Festival. A compelling collage of live music, drama, words and film, the piece will have at its heart a story that is rooted in the North. This will be a ticketed event which will play over a period of 7 days in the last week of the festival.

MIF would like to take this opportunity to ensure that local residents and businesses are made aware of our plans in advance of our programme launch which will take place this year on March 9th.

Further details of this and all other MIF projects will be available on our website www.mif.co.uk from Thursday 9th March but if you have any specific questions relating to the event in Upper Campfield Market Hall they can be addressed to consultation@mif.co.uk.

Before the Festival commences we will be able to provide contact numbers that local residents can use throughout the day and evening, whilst MIF are using the venue, if they have any concerns.

Yours Faithfully,

Manchester International Festival Team
